Most manufacturers recommend a check of the propane furnace at the end of each heating season. By having your unit checked at the end of the heating season you can start enjoying your summer knowing your system is ready to go on the first cold day of fall.

REGULARLY \$149.50, PRESEASON SPECIAL PRICE OF \$129.95 IF SCHEDULED BY JUNE 30, 2009. WORK PERFORMED BY 8/31/09.

***Even if you don't have a propane furnace you can still take advantage of this valuable offer. Get an appliance check for \$129.95 and EACH ADDITIONAL APPLIANCE IS ONLY \$69.00.**

- ✓ Pool Heater
 - ✓ Fireplace
 - ✓ Space Heater
